**AS-T Business Administration 2.0**

The Associate in Science in Business Administration for Transfer 2.0 prepares students for transfer into bachelor’s degree programs in Business Administration and similar majors at a California State University. This degree program will expose students to the core principles and practices in the field of Business including marketing, finance, accounting, economics, and management.

Upon completion of the Associate in Science in Business Administration 2.0 for Transfer, students will be able to prepare and analyze financial statements, prepare and manage an operating budget, evaluate the impact of current economic conditions on a business, and assess the legal implications of business decisions.

Students are required to have a grade of "C" or better in each course in the major to apply these courses to the AS-T degree. The AS-T degree also requires the completion of 60 transfer semester units, a minimum overall grade point average of 2.0, and completion of the CSU GE-breadth or IGETC.

**Career Opportunities**

Upon completion of a bachelor’s degree, Business Administration majors find employment in a variety of fields related to the planning, operation, and regulation of businesses. Career opportunities include accountant, administrative assistant, budget analyst, management consultant, claims agent, controller, credit analyst, financial manager, financial planner, hospital administrator, insurance agent, loan officer, securities analyst, and trust officer.

**Program Learning Outcomes**

Students completing this program will be able to:

1. Prepare and analyze financial statements.
2. Prepare and manage operating budgets.
3. Evaluate the impact of current economic conditions on a business.
4. Assess the legal implications of business decisions.

**Major Requirements**

**Required Core Courses: 27-29 units**
